Sir:

1. Cited against this application is U.S. Patent number 6,977,450 ('450) entitle "Linear Motor and Linear Guiding Apparatus".
2. I, the inventor of this application and signing below, hereby declare that the '450 patent identified above was conceived or invented by me and that the inventorship of the instant application is correct in that the reference discloses subject matter derived from me and does not constitute "invention by another" under 35 U.S.C. §102(e).
3. The inventor of '450 patent, Mr. Toshiyuki ASOU, is the same as the undersigned inventor of the instant application. My name is written both ways when written in English. In other words; sometimes it is written ASOU and sometimes it is written ASO.
4. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
